TO THE TRADE

PON looking over the following pages, you will undoubtedly notice that some of our prices have been raised about 15%. This, as you know, is due to the exceedingly high cost of raw material. However, we are going to give you 10% discount on fixtures in three dozen lots, assorted, and 5% in one dozen lots, assorted, and 10% discount on pendants and harps in half gross lots, assorted, and 5% in quarter gross lots, assorted. The brackets are already listed with a quantity price.

If at any time we are able to buy these items at a reduced figure, we will at once reduce the prices to you, but, on the other hand, if they continue to increase, we shall have to do likewise; therefore please note that prices are subject to change without notice.
